**FINAL**

THE. REAL. GHOSTBUSTERS

"MASQUERADE"

#76043

FADE IN:

EXT PARK -- DAY

A large neighborhood park is filled with perhaps two dozen kids of all ages, shrieking, playing, having fun. The ones we're concerned with, a group of seven or eight, are around 12 years old. Most of these kids are male, although there are a two or three girls. They come in the usual assortment of shapes, sizes, and colors, with one, WILLIE, an oversized bully who is the self-proclaimed leader of the group; and one of the girls, CINDY, who is especially cute.

WILLIE

C'mon. Schools out for the weekend.  
Let's do something! Baseball, the  
beach...

CLOSE ON CINDY

CINDY (pointing)

Look what's coming! It's Fenderman.

ANGLE ON KENNY

KENNY FENDERMAN walks up. He's about 12, but a bit smaller than most of the other kids. He's wearing a home-made Ghostbuster outfit. It's pretty good, too. The suit's just right, with the proton pack made out of cardboard egg cartons and aluminum foil. A garden hose connects it with a foil-wrapped flashlight to form an ion rifle.

KENNY

Hi guys! Hi Cindy!

ANGLE ON OTHERS

Cindy is a little embarrassed that he's singled her out. The others are trying to hide their amusement. Except for Willie, who's openly laughing.

WILLIE

What're you 'sposed to be, Fenderman? A  
Martian janitor?

He's upset and annoyed. He wanted to impress his friends.

KENNY

Shows what you guys know! I'm a  
Ghostbuster!

He strikes a "Ghostbuster" pose, his 'weapon' at the ready.

REVERSE ANGLE ON GROUP

Willie stands at the forefront, his hands on his hips.

WILLIE

Sure, Fenderman! And I'm a Smurf!

The rest of the kids break up at this. They LAUGH loudly.

TWO-SHOT--WILLIE AND CINDY

Willie starts to move toward Kenny but Cindy pulls on his shirt. She thinks Kenny's a clown, but she doesn't like roughhousing.

CINDY

Come on, Willie, let him alone. It's only Kenny! Besides, it's a pretty neat costume.

ON KENNY

He grips his 'ion rifle' tightly, facing Willie down.

KENNY

It's not a costume! It's a uniform! All official Ghostbusters wear it!

ON MARK

MARK

Yeah? And what makes you official?

ON KENNY

A bit shaken at the question, Kenny feels backed into a corner.

KENNY

I'm a full-fledged Ghostbuster. I enlisted!

ANGLE ON THE OTHERS

They all laugh.

ON KENNY

KENNY

I'll show ya! I'll prove it! I will!

With that, he runs off, out of the park. The other kids continue to laugh as we

CUT TO:

EXT GHOSTBUSTERS HQ - DAY

PUSH IN on the firehall under:

VENKMAN (VO)

So what's this supposed to be?

DISSOLVE THROUGH TO:

INT. GHOSTBUSTERS HQ - LAB - FAVORING DOOR

Egon is bending over the cluttered workbench. Gadgets and gizmos of various sizes and shapes are strewn around in half-finished states. Egon is holding what appears to be an ultra modern soldering device in his hand. He is working on a large silver box. FLASHES OF BLUE LIGHT come from the soldering device. Ray taps Egon on the shoulder, as he picks up a small box, about the size of a VCR remote control, with several buttons and small knobs on it.

STANTZ

Is this what you wanted to show Peter?

SPENGLER

Yes. If he ever gets here.

ON EGON

He is slightly irritated.

SPENGLER

It's an Ecto-Aroma Eliminator. You know that awful residue odor that's left behind by manifestations Class 3 and up?

ON STANTZ

STANTZ

The stink? Yeah. So?

ON EGON

He points to the box Ray is holding.

SPENGLER  
Well, this gets rid of those odors.

ON STANTZ

STANTZ  
(nods sagely)  
Oh, sort of a ghost room deodorizer.

Ray starts to fiddle with the knobs on the EAE when Egon reaches across and takes the device away from him.

ON EGON

SPENGLER  
It'll be awhile before this prototype is ready, Peter. It's still experimental. It could be dangerous.

VENKMAN (OS)  
Okay, okay -- here I am.

They turn and look to

ANGLE - PETER - DOORWAY

Peter slouches into the room.

VENKMAN  
I hope this is important.

ANOTHER ANGLE -- INCLUDE ALL THREE

EGON  
Staff meetings always are. Now, as I was telling Ray --

Egon's speech is interrupted yet again, this time by Janine's voice on the PA system.

JANINE (o.s.)  
Dr. Venkman! Dr. Venkman! You have a visitor in the lobby!

Peter claps them on the shoulders.

VENKMAN  
Sorry, guys. A paying customer. Been nice seeing you. We should do this more often.

Peter scurries up the stairs as Ray and Egon exchange a hopeless glance.

INT GHOSTBUSTERS HQ -- RECEPTION AREA

Janine is sitting behind her desk, smirking, when Peter arrives. Standing by her desk is Winston, deep in conversation with Kenny, still dressed in his home-made Ghostbusters outfit.

JANINE

Dr. Venkman, this is Mr. Fenderman. He's here to see you.

ON KENNY

who snaps to attention and salutes.

KENNY

(shaking his head)  
Ghostbuster Fenderman reporting for duty, Sir! Anything you want done?

WIDEN TO INCLUDE PETER AND WINSTON

They exchange glances.

ZEDDMORE

He's serious, Peter. He wants to apply for a job.

ON PETER

VENKMAN

I see. Step into my office, Mr. Fenderman.

Peter ushers Kenny into his office.

INT GHOSTBUSTERS HQ -- PETER'S OFFICE -- ON PETER AND KENNY

Shoving a stack of empty pizza boxes off of a chair, Peter indicates that Kenny should take a seat while he settles in behind his desk. Kenny is obviously in hog heaven.

VENKMAN

What makes you want to be a Ghostbuster? Besides the wealth, the fame, and the chance to hobnob with the upper crust on several different dimensional planes.

The boy's face is aglow with hero-worship.

KENNY

Because you guys are the best! All the other kids think so. Heck, everybody in the whole city thinks so!

ON KENNY

He leans forward, imploringly.

KENNY

Look, Dr. Venkman. I sorta told my friends I already was a Ghostbuster. They just made fun of me. Can't you give me some kind of assignment? Anything! Just give me a chance. Please!

ON PETER

Who hides a smile behind his hand. Kenny is impressing him, reminding him of himself when he was that age. Finally he reaches a decision.

VENKMAN

I'll do better than that.

TWO-SHOT -- PETER AND KENNY

Peter scrounges around his desk, shoving around papers and scraps of food. Finally he stops and holds up what looks like a small bronze pin. It is actually an old tie-tack.

Peter walks around the desk and pins the tie-tack on the front of Kenny's uniform.

VENKMAN

There you go, kid. This badge makes you an official member of the Ghostbusters Auxiliary!

CLOSE ON KENNY

He looks down at the bronze pin. LIGHT GLEAMS off the surface. Kenny looks up with a broad grin.

KENNY

Wow!

WIDEN TO INCLUDE PETER

Who is also beaming, as he escorts Kenny out of his office.

VENKMAN

And, now, the first benefit you receive as a member of the Ghostbusters Auxiliary is a free guided tour of our Headquarters.

WIPE TO:

INT GHOSTBUSTERS HQ -- WORKSHOP

Peter and Kenny walk into the Workshop.

VENKMAN

And this is where Dr. Stantz and Dr. Spengler put together most of our special equipment. Some of it even makes a rough kind of sense.

CLOSE ON KENNY

Who's experiencing sensory overload. The whole thing has him floating ten feet off the floor.

KENNY

Do you think I could have an actual piece of ghostbusting equipment? Since I am an Official Auxiliary Member and everything.

ON PETER

A bit wary.

VENKMAN

(reluctant)

Weeeellll, I guess so.

WIDEN TO INCLUDE PETER

Looking around the Workshop. He reaches over and picks up the Ecto-Aroma Eliminator, turning to face the boy.

VENKMAN

This should be okay.

ON KENNY

He turns the EAE over in his hands, eyes aglow.

KENNY

Gee, thanks!

CUT TO:

INT GHOSTBUSTERS HQ -- RECEPTION/GARAGE AREA

Peter and Kenny approach the slightly dented lines of the Ecto-1.

VENKMAN

And this is how we get around, kid. The Ecto-1.

KENNY  
(impressed)  
It's great! Can I sit in it?

JANINE (VO)  
Up and at 'em!

ON VENKMAN

Who considers Kenny's request for a moment. Suddenly, the Ghostbusters KLAXON BLARES! Peter is startled.

WIDE ANGLE -- RECEPTION/GARAGE

We see Winston, Ray, and Egon slide down the firepole in the background. Janine is leaning on the alarm button on her desk.

LIGHTS FLASH. SIRENS BLARE.

TWO-SHOT -- KENNY AND PETER

Peter puts a hand on Kenny's shoulder.

VENKMAN  
Okay, kid! Want to come watch us bust a few ghosts?

ON KENNY

He can't believe his good fortune. This'll show Willie and the others!

KENNY  
Whadda we waitin' for? Let's go!

ON RAY

as he and the others pile into Ecto 1.

STANTZ  
Peter! Are you sure this is a good idea?

ANGLE ON PETER

VENKMAN  
Hey, it's okay. Kenny's an official member of the Ghostbusters Auxiliary.

EXT. GARAGE

Doors closed as we hear:

EGON/WINSTON/RAY

The What?!

WHAM - The doors are bashed open from within and

ON ECTO-1

heads out of Ghostbusters HQ, sirens blaring. As they make the turn out of the garage, we hear:

KENNY

Wheeeeeee!

CUT TO:

EXT GALLERY -- DAY

The Ecto-1 screeches to a halt outside a posh 5th Avenue gallery. There's a big crowd outside, and people running out the doors, followed by thrown vases, bottles, etcetera. A snooty-looking bald man dressed in a black suit, VINCENT VAN SWELL, runs up to the Ecto-1.

ANOTHER ANGLE

Peter, wearing his proton pack and with his ion rifle at the ready, pops out of the Ecto-1 as Van Swell reaches the car.

VENKMAN

Afternoon, pal. Can you show us to the owner of this dime store?

A vase SHATTERS at Venkman's feet.

VENKMAN

Say, we have one at home. Looks just like that.

ON VAN SWELL

His face is purple.

VAN SWELL

I'm the owner of this gallery! Vincent Van Swell!

ON PETER

VENKMAN

(semi-apologetic)

Of course you are. And a beautiful place it is, too.

Peter DUCKS as another priceless vase HURTLES PAST.

ON VAN SWELL

VAN SWELL

Those ghosts are ruining my opening!  
A priceless display of imported crystal!

ANOTHER ANGLE -- PETER, RAY, WINSTON, EGON, KENNY

They are all in Ghostbusting regalia, although Kenny is still in his home-made outfit.

SPENGLER

No problem, sir!  
(to others)  
Power up, men!

ON VAN SWELL

VAN SWELL

Just be careful! Anything you break  
comes off of your bill!!

ON PETER

VENKMAN

Aim high, fellas!

ON ECTO-1

The four-and-a-half Ghostbusters start to move toward the gallery.

VENKMAN

You wait here. Protect the car.

KENNY

Aw, gee.

Kenny glumly stays by the Ecto-1 as Peter moves out of frame.

INT GALLERY -- DAY

Our four heroes rush into the gallery. Three ghostly shapes are swooping and charging about, playing catch with valuable and fragile objects d'art.

ZEDDMORE

Don't startle 'em.

WIDE ON ALL GHOSTBUSTERS

VENKMAN

Now!!!

Our heroes open fire.

ON GHOSTS

Ion streams flash up and across, stampeding the three ghosts into a corner.

ON RAY

He heaves three traps toward the translucent shapes.

STANTZ

Move 'em in.

ON THREE GHOSTS

Who are being herded into the traps.

STANTZ (o.s.)

Slow. Slow. Careful.

ON SPENGLER

He stomps on the foot release of the traps.

ON THE GHOSTS

Caught in the GLOW from the traps, the shapes are sucked in with a SCREAM!

SPENGLER (o.s.)

Got them!

ON WINSTON

ZEDDMORE

Look out!

ON GHOST

A previously unseen ghostly shape is diving and swooping, buzzing our heroes. It CACKLES a high-pitched laugh, and swoops past a display of crystal vases, knocking one vase off a high stand.

ON WINSTON

Thinking fast, Winston grabs a pillow from an empty display near him and tosses it forward.

ZEDDMORE

I've got it!

CLOSE SHOT ON VASE

As it just misses the thick pillow and shatters on the floor with a CRASH.

ZEDDMORE (OS)

Okay...so nobody's perfect.

ANOTHER ANGLE

Ray and Egon stalk the final poltergeist. As they pass behind various crystal displays, their faces distort weirdly.

REVERSE ANGLE

The remaining ghost looks equally bizarre to Ray and Egon through the layers of expensive crystal.

TWO-SHOT -- RAY AND EGON

SPENGLER

We'll never get a clear shot this way.

STANTZ

You're right. We'll have to surround it.  
READY, AIM...

REVERSE ANGLE

Just as Venkman is about to give the final command, Kenny bursts through the doors under the spectre, aiming his flashlight/ion rifle at the giggling ghost. He's right in their line of fire.

KENNY

FIRE!

ON THE GHOSTBUSTERS

VENKMAN

LOOK OUT!

Peter leaps at Winston, knocking him into Egon, who bumps into Ray. Their ion streams go wild. The shop is FILLED WITH LIGHT.

ON KENNY

He hits the deck.

ON THE CRYSTAL DISPLAY

As wild ion streams pass through it, SHATTERING the display into a thousand shards.

ON PETER

Getting control, firing at the spirit.

WIDEN TO INCLUDE EGON AND WINSTON

Who are also firing.

REVERSE ANGLE

The giggling ghost is caught in the crossfire, flying in circles.

ON WINSTON

ZEDDMORE

We got 'em. Ray, get out a trap.

ON STANTZ

Who tosses another trap.

WIDE ON GHOST

The trap lands under him and the three beams push him into the open, glowing trap.

CUT TO:

EXT ECTO-1 -- DAY

Winston, Ray, and Egon load the four steaming traps and the rest of the equipment into the Ecto-1.

STANTZ

He's a nice kid, but Peter should never have brought him along. This is too dangerous.

ON ZEDDMORE

ZEDDMORE

Look, don't knock it when Peter starts acting human.

ON SPENGLER

SPENGLER

Yes, the lad did seem to bring out a new side of Peter. And he really did want to help.

ON STANTZ

STANTZ

I suppose.

EXT GALLERY -- DAY

Peter, in a foul mood, is talking to Kenny.

VENKMAN

I told you to stay with the car. You could have been killed. Why didn't you do what you were told?

ON KENNY

KENNY

I...I'm sorry. I guess I got too excited. I didn't mean to do anything wrong.

WIDEN TO INCLUDE PETER

VENKMAN

(angry)

Well, sorry isn't good enough. Why don't you take your flashlight and get lost?

With that, Peter stomps out of frame, leaving a shocked and dejected Kenny standing there, staring. From the best day of his life to the worst in just a few minutes.

CUT TO:

INT ECTO-1 -- DAY

The other three Ghostbusters are already inside. Peter climbs into the backseat, slamming the door.

ON WINSTON

Looking over his shoulder at Peter from the front seat.

WINSTON

Aren't you being a little tough on the kid, Peter? After all, you did invite him along.

ON RAY

STANTZ

Yeah. It's not as if we haven't ever done any damage before.

WIDEN TO INCLUDE PETER

Who's fuming.

VENKMAN

Ray?

STANTZ

Yes?

VENKMAN

You're not helping.

ON ECTO-1

The engine of the Ecto-1 roars to life, and slowly the massive car moves toward Ghostbuster HQ. We move with it a short distance until we reach Kenny. We stop as the car moves into the distance. We move in on Kenny, standing alone, tears in his eyes.

END ACT ONE

ACT TWO

EXT STREET -- DAY

A dejected Kenny is walking slowly down a neighborhood street. He's heading home, a study in sorrow. He SNIFFS once or twice, head down, kicks a pebble or two off the sidewalk and into the street. His 'ion rifle' bounces against his leg as he walks.

EXT PARK -- DAY

Kenny turns into the park, taking a shortcut home. He wanders down the park path.

CLOSE ON KENNY

As a shadow falls across his face.

REVERSE ANGLE -- KENNY'S POV

Willie, the bully, is standing in Kenny's way. He is flanked by Cindy and Jim. Cindy looks a little concerned, Willie and Jim are smirking.

ANOTHER ANGLE

Kenny tries to move past, but Willie plants himself directly in front of the boy.

WILLIE

(mocking tone)

Look, it's a Ghostbuster! Help me! Save me, Mr. Ghostbuster!

Willie reaches out and shoves Kenny. Hard.

ON KENNY

He hits the ground. Willie and Jim's LAUGHTER rings in his ears. He looks up, his face reddening.

KENNY

Go ahead and laugh, big mouth. But I am a Ghostbuster. I am!

TWO-SHOT -- CINDY AND JIM

Jim is helpless with LAUGHTER. Cindy is GIGGLING a little but is troubled by the turn of events.

ON KENNY

He wheels to face his tormentors.

KENNY

Look at this, wise guys!

He indicates the pin Peter gave him.

KENNY

It's my Ghostbusters Auxiliary Pin; It's official!

WIDEN TO INCLUDE ALL

The other kids, suddenly impressed, lean in to examine the bronze pin. Jim reads the inscription aloud.

JIM

"New York World's Fair, 1964."

Now all three, including Cindy, laugh uproariously.

CLOSE ON KENNY

He blushes, trying to read the pin upside down. In all the excitement of meeting the Ghostbusters, he'd never really looked at it.

ON WILLIE

WILLIE

Official, huh? An official dope! Whadda ya fight ghosts with? This flashlight?

ON KENNY

He's burning with embarrassment. Suddenly his expression lightens.

KENNY

Oh, yeah? Well get a load of this!

He whips out the Ecto-Aroma Eliminator that Venkman gave him as a souvenir.

REVERSE ANGLE

Cindy, Willie and Jim stop laughing as they study the strange piece of equipment Kenny thrusts forward.

Cindy's eyes widen. This is obviously not a home made toy. She begins to take Kenny seriously.

CINDY

What is it, Kenny? What does it do?

ON KENNY

He's pleased with Cindy's reaction.

KENNY

It's top secret. I can't tell you  
anything about it except it'll really put  
away ghosts!

ANOTHER ANGLE -- INCLUDE ALL

Willie is doing a slow burn. He hates not being the center of  
attention, and, even more, he hates Cindy warming to Kenny. He  
takes a step towards Kenny, pointing his finger.

WILLIE

I don't believe you. If you're really  
a Ghostbuster, why don't you prove it?  
Let's see you spend the night in the  
old Halliwell place!

Willie gestures to the end of the park.

WIDE ANGLE -- HALLIWELL MANSION

A dark, brooding, dilapidated Victorian ruin sits on a knoll at  
the end of the park. The place could be the ultimate haunted  
house. It looms ominously against the darkening sky.

ON KENNY

He reacts nervously, looking at the house.

TWO-SHOT -- JIM AND WILLIE

Jim grabs Willie by the arm.

JIM

(nervously)

You're not serious, Willie. That place  
is haunted! Old man Halliwell's ghost  
is in there!

Willie shakes Jim off.

CLOSE ON WILLIE

He stares down Kenny.

WILLIE

G'wan! He's an official Ghostbusters.  
You're not scared, are you,  
Fenderman?

CLOSE ON KENNY

He obviously is, but won't show it. Not too much.

KENNY  
N-no. 'Course not.

WIPE TO:

EXT HALLIWELL MANSION -- DUSK

Kenny, Willie, Jim, and Cindy arrive in front of the Halliwell mansion.

WILLIE  
All right, Fenderman. In ya go.

ON KENNY

KENNY  
Okay, Okay. You don't have to push.

He turns and moves nervously up the rickety steps to the front door.

CUT TO:

INT GHOSTBUSTERS HQ -- WORKSHOP

Egon is on his hands and knees, crawling under the workbench, trying to find something. He reaches up to:

CLOSE ON WORKBENCH

His hand flops to a spot that is noticeably empty.

WIDE ON EGON

Who sits up, sees the empty spot, and rushes down the stairs

EGON  
Uh, oh.

INT GHOSTBUSTERS HQ - PETER'S OFFICE

Egon races in, awakening Peter from a nap.

ON EGON

SPENGLER  
Do you know where the Ecto-Aroma  
Eliminator is? I can't find it.

ON PETER

VENKMAN  
(shrugs)

I gave it to Kenny. As a souvenir.

WIDEN TO INCLUDE EGON

SPENGLER

I'm sorry to hear that, Peter. It means  
the boy is in serious danger.

Peter looks confused.

VENKMAN

But it was just a little box, what's  
the harm?

STANTZ

Big booms can come in small packages,  
Peter.

ON EGON

SPENGLER

If that boy pushes the wrong button,  
it could destroy an entire city block.

CUT TO:

INT GHOSTBUSTERS HQ RECEPTION AREA

The Ghostbusters are gathered around Janine's reception desk.  
Ray and Egon look worried. Winston is pacing back and forth.  
Peter is sitting at Janine's desk, wearing a look of grave  
concern.

VENKMAN

So let me get this straight --  
The isotope in the -- whatever it is --  
is unstable.

EGON

Ecto-Axoma Eliminator. EAE.

VENKMAN

Don't quibble, Egon. You're the one  
about to give a whole new meaning to  
the word Boom Box.

ANGLE ON RAY

STANTZ

The EAE starts out fine, but as ectoplasmic  
material is absorbed and the internal  
reaction builds, it could overload  
and explode.

WIDEN TO INCLUDE EGON

SPENGLER

And once it's turned on, it can't be stopped.

ON WINSTON

He pauses in his pacing.

ZEDDMORE

Could we track it with a geiger counter?

ON EGON

SPENGLER

It's possible. But the odds of finding it in a city this size before it blows--

ON PETER

As he leads them off to Ecto 1.

VENKMAN

It doesn't matter. We've gotta try and find that kid! If anything happens to him...

CUT TO:

EXT GHOSTBUSTERS HQ -- NIGHT

The garage door opens and the Ecto-1 screams out into the street, tires squealing!

EXT. STREET -- NIGHT

The Ecto-1 careens through the streets, its lights flashing.

INT ECTO-1

Winston is at the wheel, Egon, to his side, stares intently at the geiger counter in his lap. Ray and Peter are in the backseat.

SPENGLER

(shaking his head)

This machine isn't sensitive enough.

ON PETER

VENKMAN

You mean you can't locate him?

ON EGON

SPENGLER

Oh, we'll be able to find him certainly.  
As soon as the device explodes, we'll  
have no difficulty tracing the readings.

WIDEN TO INCLUDE WINSTON

ZEDDMORE

Egon, sometime soon, you and I must  
have a chat about your sense of priorities.

CUT TO:

INT HALLIWELL MANSION FRONT ROOM - NIGHT

Kenny is still wandering through the lower level of the mansion.  
He starts and turns at every sound. After a few seconds, he  
reaches the dilapidated staircase.

ANGLE UP STAIRS

KENNY

Hmmmm.

ANGLE ON KENNY

He thrusts the EAE out in front of him.

KENNY

Okay, take that!

Nothing happens. He sits on the stairs and shines his 'ion  
rifle' at the EAE.

CLOSE ON EAE

It has three buttons, two small knobs, and a small readout  
screen. There's some illegible small print near each of the  
knobs and buttons.

ANGLE ON KENNY

He's staring at the EAE.

KENNY

Maybe it would help if I turned it on.

He pushes the button and a LOW HUM can be heard coming from the  
EAE.

CLOSE ON EAE

A little display screen glows brightly.

ON KENNY

His face lights up. He starts to point the EAE around the house. Nothing happens. Shifting around, Kenny points the device up the stairs.

CLOSE ON EAE

The display screen starts to flash the number 4 on and off rapidly.

ON KENNY

He studies the face of the EAE intently.

KENNY

(to himself)

Class Four. Must mean there's a  
Class Four ghost here.

(beat)

So that means I set the 'Class' knob  
to 4!

He twists the knob. The LOW HUM TAKES ON A HIGHER PITCH.

KENNY

Then when I spot the ghosts, I hit  
the 'intake' button and it sucks 'em in!

ANOTHER ANGLE

Kenny, filled with renewed confidence, stands and starts to climb the stairs to the upper reaches of the Halliwell house.

KENNY

I'll show 'em. I'll show that Willie  
Bradford! I'll bust me a whole bunch of  
ghosts. Then even Dr. Venkman will like  
me again!

UPSHOT -- KENNY ON STAIRS

As Kenny makes his way up to the top of the dilapidated stairway, we see an EERIE, RED GLOW start to form at the second floor landing. Kenny, intent on the humming EAE, doesn't notice.

CLOSE ON EAE

The lethal piece of equipment flashes ominously in Kenny's hand.

CUT TO:

INT HALLIWELL MANSION UPPER HALLWAY -- NIGHT

Kenny is moving down the second floor hallway. The red glow is quite distinct at the end of the hall. The classic sounds of moaning, haunting spirits surround the boy. His 'ion rifle' is dangling unnoticed at his side, the EAE gripped tightly in both hands in front of him.

KENNY

All right, you ghosts! Come on out! I'm a Ghostbuster and I've got you cornered!

ANOTHER ANGLE

The walls of the upper hallway vibrate with otherworldly energy.

ON RED GLOW

RED GLOW

(a deep, rumbling voice)  
GHOSTBUSTER!

ON KENNY

A supernatural wind of incredible force flows from the red glow and knocks Kenny off his feet. It blows him back toward the top of the stairs.

ANOTHER ANGLE

The wind continues to howl. Kenny is blown back into the rickety bannister. It is the only thing saving him from the long drop to the first floor.

ANOTHER ANGLE

KENNY

Oh, yeah! Well take this!

He pushes the 'intake' button on the EAE, but nothing happens.

ON RED GLOW

RED GLOW

GHOSTBUSTER! GHOSTBUSTER!!

ON KENNY

Pushing the button frantically.

ON RED GLOW

The wind continues to howl and the light becomes intense.

CUT TO:

INT ECTO-1 -- NIGHT

Egon notices a sudden change in the reading.

SPENGLER

Winston! Quick! Turn around.

ANGLE TO INCLUDE WINSTON

Egon holds up the geiger counter.

SPENGLER

Kenny must have turned on the EAE.  
I'm picking up a radiation increase.

Winston YANKS the steering wheel.

EXT -- STREET -- NIGHT

The Ecto-1 nearly leaps off the pavement as Ray swings it into an impossibly tight U-turn and races off in the opposite direction.

CUT TO:

INT -- HALLIWELL MANSION UPPER HALLWAY -- NIGHT

Kenny is bent almost backwards over the bannister railing, fighting against the ROARING supernatural wind. He almost loses his grip on the EAE, but brings it around to point it at the red glow once again.

ANOTHER ANGLE

The red glow is creeping up the walls of the hallway towards Kenny. MULTI-COLORED LIGHTNING FLASHES punctuate the glow. The ROAR of the wind is deafening.

ANGLE ON STAIRWAY

A sharp-clawed, glowing, green hand grips the banister railing.

WIDEN ON GHOST

The hand belongs to a hideous, grinning, ghoulish ghost, slowly creeping up the stairs towards Kenny.

HIGH ANGLE -- KENNY AND GHOSTS

Struggling to keep his balance, Kenny can't see the dozen sharp-clawed phantoms creeping up the stairway behind him.

CUT TO:

INT -- ECTO-1 -- NIGHT

Winston guides the Ecto-1 through the streets. The car ROCKS from side to side. Egon studies his geiger counter.

SPENGLER

I'm getting very high readings.

ZEDDMORE

This must be the place!

EXT HALLIWELL MANSION -- NIGHT

The Ecto-1 SCREECHES to a halt in front of the old house. The four Ghostbusters pile out in full busting regalia. Peter looks up at the mansion.

UPSHOT -- HALLIWELL MANSION -- PETER'S POV

The old ruin looms ominously overhead. Through the windows can be seen multi-colored flashing light.

INT -- HALLIWELL MANSION UPPER HALLWAY -- NIGHT

Kenny is tiring fast. The HOWLING WIND buffets him. The grinning ghouls have just about reached the top of the staircase. The Red Glow now saturates the entire upper hallway. An EVIL CHORTLE fills the house.

RED GLOW

GHOSTBUSTER!!!

ANOTHER ANGLE

The supernatural wind blows fiercely as green talons reach for Kenny.

CLOSE ON RAILING

The old, wooden banister railing behind Kenny bends, CRACKS, and finally FALLS AWAY under the pressure of the wind.

ANOTHER ANGLE

The force of the wind flings Kenny off the upper landing and into space, out of the grasping clutches of the grinning green ghosts.

ON KENNY

Who flies across the room and catches hold of the ornate crystal chandelier over the entryway. It sways back and forth ominously.

ANOTHER ANGLE -- FRONT DOOR

The Ghostbusters burst through the doorway into the front room.  
Peter takes a few steps forward.

VENKMAN  
(calling)  
Kenny! You in here?

KENNY (o.s.)  
Dr. Venkman! Here I am! Up here!

Peter looks up.

UPSHOT -- GHOSTBUSTERS AND KENNY

Kenny sways on the chandelier above the Ghostbusters. The red glow can be seen, angry and FLASHING, behind Kenny.

VENKMAN  
Good! Stay there and be our lookout!

WIDEN TO INCLUDE RAY, WINSTON, AND EGON

VENKMAN  
Okay, men! Let's do some damage!

Peter and Egon go one way while Ray and Winston go the other.  
All have their ion rifles at the ready.

INT LIVING ROOM -- RAY AND WINSTON

Who have chased four ghosts into the living room.

ZEDDMORE  
Where are they?

STANTZ  
We followed them in. They must be here.

The Ghosts zip past them from behind, racing OS.

INT UPPER HALLWAY -- PETER AND EGON

They run up the stairs after three of the green ghosts.

VENKMAN  
There they are! Get 'em!

ON GHOSTS

Who stand against the wall as two ion streams zip toward them.  
Just as the beams are about to cage them in, the ghosts fly up

and pass through the wall in unison. The beams hit the wall causing plaster and wood splinters to fly. The disembodied voice of the red glow LAUGHS WICKEDLY.

TWO-SHOT -- PETER AND EGON

They react to the LAUGHTER.

RED GLOW (o.s.)  
GHOSTBUSTERS! GHOSTBUSTERS!

EGON  
I don't like the sound of this.

Venkman nods agreement.

VENKMAN  
As welcomes go, I've heard better.  
Warmer. More human...

INT LIVING ROOM -- RAY AND WINSTON

Who are slowly sneaking up behind a lone ghost.

RAY  
(whispering)  
One...two...three...fire!

ON GHOST

Without turning, the ghost zips through the wall just as the two ion streams reach the spot where he used to be. Plaster and wood splinters fill the air. The Red Glow's LAUGHTER ECHOES through the room.

ON WINSTON

ZEDDMORE  
How...how...how'd he know we were here?

ON SPENGLER

SPENGLER  
Something's funny. I better check this  
out in Tobin's Spirit Guide.

ANOTHER ANGLE

Spengler pulls out his computer interface to Tobin's Spirit Guide and punches in data.

SPENGLER  
Uh, oh. This doesn't look good.  
(yelling)  
CONFERENCE!!!

ANGLE ON STAIRCASE

Peter and Egon race down the stairs.

INT FRONT ROOM -- THE GHOSTBUSTERS AND KENNY

The four Ghostbusters meet under Kenny's chandelier. The Red Glow's LAUGHTER seems to surround them.

ON SPENGLER

Who is holding his hand computer.

SPENGLER

There's a single intelligence directing the spirit activity in this house.

ON KENNY

Still hanging onto the chandelier.

KENNY

You mean like a ghost general?

ON PETER

VENKMAN

So it's simple. Tap the commander and the rest of the army's easy.

SPENGLER (o.s.)

I'm afraid that's too dangerous, Peter.

ON RAY

STANTZ

With that much psychokinetic energy at its command, we could be in serious trouble. It might be able to blow up the containment unit.

WIDEN TO INCLUDE RAY, EGON, AND WINSTON

SPENGLER

But if a powerful enough kinetic force could blow it apart upon being trapped, the conditions in the containment unit would prevent it from reforming.

ON WINSTON

ZEDDMORE

How powerful a force would it take to splatter this thing?

ON RAY

STANTZ  
Near atomic levels.

ON PETER

VENKMAN  
I have an idea. Kenny!  
Do you still have that souvenir I gave  
you?

ON KENNY

KENNY  
Yeah. I've got it right here.

ON PETER

VENKMAN  
Well, hang onto it. We're going to need  
it.

ON RAY

STANTZ  
What do you have in mind?

ON PETER

VENKMAN  
Don't ask. You'll only worry. C'mon!

ANOTHER ANGLE

Shoulder to shoulder, the Ghostbusters make their way up the  
stairs, ion rifles held in front of them.

INT UPPER HALLWAY -- GHOSTBUSTERS

They arrive at the upper story and start slowly down the hallway.

VENKMAN  
Okay, boys. Careful now.

ANOTHER ANGLE

From behind the Ghostbusters as they move forward. The red glow  
becomes deeper, more menacing; the LIGHTNING FLASHES angrier and  
more frequent. The evil laughter has changed to a low pitched,  
ominous and continuous GROWL.

TWO-SHOT -- PETER AND RAY

He calls back over his shoulder.

VENKMAN

Stand by, Kenny! Hang in there!

ON KENNY

He clutches tightly to the chandelier, the EAE in one hand.

CLOSE ON EAE

Its display window flickers rapidly.

ANOTHER ANGLE -- UPPER HALLWAY

The Red Glow seems to coagulate at the far end of the hallway as the Majian gathers itself for an unleashing of supernatural power. Suddenly, like an ectoplasmic tidal wave, it gushes forward with a TERRIBLE ROAR!

REVERSE ANGLE -- THE GHOSTBUSTERS

Peter shouts an order.

VENKMAN

Ray! Winston! Egon! FIRE!

The Ghostbusters FIRE THEIR ION RIFLES. The ION STREAMS FILL THE FRAME.

ON THE MAJIAN

Caught in the ion crossbeams, the Majian writhes and flashes.

MAJIAN

Aaaarrrrgggghhhhhh;!!!!

ON PETER

He tosses a trap down the hallway.

VENKMAN

Kenny! Throw that gadget at the light!

ON KENNY

He throws the EAE down the hallway from the chandelier.

ON THE GHOSTBUSTERS

VENKMAN

Duck!

The Ghostbuster duck as the EAE sails overhead.

CLOSE ON PETER

As he falls on the trap release.

ANOTHER ANGLE -- THE MAJIAN

The EAE sails into the center of the swirling red glow.. a perfect strike! The trap doors spring open and the supernatural beast is sucked into the trap, carrying the EAE with it.

CLOSE ON TRAP

As the ectoplasmic horror is drawn in. The trap doors SNAP SHUT. At the same instant, there is a muffled POOMPI and the trap jumps about six inches in the air, then falls back again.

ANOTHER ANGLE -- THE GHOSTBUSTERS

They slowly get to their feet. The red glow is completely gone. The hallway is clear. Ray claps Peter on the back.

STANTZ

A brilliant plan, Peter! The blast totally disincorporated the thing. I didn't know you had it in you!

VENKMAN

Hey, but I have to admit I couldn't have done it without Kenny.

WIDEN TO INCLUDE ALL

The Ghostbusters all look smilingly at Kenny, still hanging bravely from the chandelier.

CUT TO:

EXT HALLIWELL MANSION -- DAWN

The neighborhood kids are arriving to see if Kenny's managed to make it through the night. As they gather, Kenny steps out the front door. His appearance meets with a mix of surprise and admiration.

WILLIE

So, Fenderman, you're still here.

ON KENNY

KENNY

Sure. In fact, we're just wrapping up. Me and the guys just finished trapping a bunch of ghosts.

ON WILLIE

WILLIE  
Oh, yeah. Sure.

WIDE ANGLE

Just then, the Ghostbusters come out the door.

STANTZ  
Thanks for all the help, Kenny.

SPENGLER  
Yes. It was a good night's work.

ON KENNY AND WILLIE

Willie is dumbfounded. Kenny is really enjoying this.

KENNY  
No problem, guys. Glad to help.

ON THE OTHER KIDS

Who are impressed as hell. Cindy is charmed. Her eyes are wide with interest and admiration.

VARIOUS  
(ad lib)  
Wow. Gosh. Gee. Etcetera.

ON KENNY AND PETER

They shake hands.

VENKMAN  
Why don't you come by sometime next week, Kenny? We'll have some fun.

KENNY  
You bet.

ANOTHER ANGLE -- WIDE

With that, Peter walks down the stairs. He pauses as he reaches Cindy.

ON PETER AND CINDY

VENKMAN  
Great kid, that Kenny, huh?

CINDY  
Mmm-hmmm.

ON PETER AND KENNY

Peter winks at Kenny, who smiles back. Peter than walks out of frame.

ANOTHER ANGLE

The kids run up the steps and congratulate Kenny as the Ecto-1 starts to move.

WILLIE

Do you think you could introduce me to them?

KENNY

We'll see.

Kenny smiles and waves at the Ecto-1 as it speeds away.

THE END
